

Selby Community Primary School Design Technology Sequencing

Sequencing across the Year groups

Year Group	Autumn Term	Spring Term	Summer Term
EYFS- Creating with materials	Using a range of tools and techniques to produce own designs and share creations explaining process used		
1	Food Textile item Construction materials and kits		
2	Shaping and cutting materials Levers and hinges Wheels and axles		
3	Food product 3D textile item Moving vehicle		
4	Levers and linkages- mechanical control 3D structures Electrical circuits and control		
5	Food product Textiles Motorised vehicle with control		
6	Pneumatic systems Structures Electrical circuits and control (incl computer control)		

Sequencing across the unit

Lesson	Content focus
1	Investigate & evaluate existing products, understand how key events and individuals in DT have helped shape the world
2	Focussed task developing new skills and knowledge
3	Design product according to design brief- <i>something for someone for some purpose</i>
4	Make product
5	Make product
6	Critically evaluate product against design brief
